

Considering abortion?

BPAS offers abortion pill treatment
without visiting a clinic.

Following a telephone consultation and medical assessment, we can post
abortion pill treatment to your home (if it is suitable and safe for you).

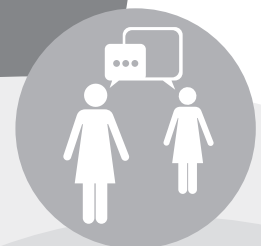

The packaging is discreet and fits through your letterbox.

Telephone to book an appointment:

03457 30 40 30

Abortion pills by post
treatment is for pregnancies
under 10 weeks' gestation.
Treatment up to 24 weeks'
gestation is also available at
our clinics.
